Denys Purdy, Capital Building & Development Inc. owner and founder, and his daughter Alexandra stand near a gingerbread house donated by Capital Building & Development Inc. for the Junior League of Greenwich's Enchanted Forest on Nov. 17 and 18. It won three ribbons, including 'Best in Show.' The theme of the colorful creation, created by Cos Cob's Sweet Lisa's, was 'Snow White's Enchanted Cottage.' Capital also sponsored the sold-out gingerbread decorating workshops. Mr. Purdy recently opened a new office in Stamford and to show his commitment to the greater Greenwich area, his company sponsored this year's Enchanted Forest. — Jessica Spencer photo
